WORK EXPERIENCE

Swim Instructor & Lifeguard, Goldfish Swim School, Brookline, MA

August 2021 – August 2023

- Trained new employees in teaching techniques and safety procedures and led team meetings and coaching sessions.
- Handled challenging student interactions with 30+ students a day, including resolving language barriers and building trust with non-English speaking children.
- Provided swim instruction to children of ages from 4 months to 12 years, ensuring a safe and engaging learning environment.

Camp Counselor, Beaver Summer Camp, Brookline, MA

July – August 2024

- Led groups of 20 or more children, ages 3 to 5, in a variety of activities, focusing on teamwork, safety, and personal development.
- Collaborated with fellow counselors to create a welcoming, safe, and enjoyable experience for all campers.

Intern, Racial Reconciliation & Healing Project at Brigham & Women's Hospital, Boston, MA

Nov. 2023 – June 2024

- Participated in workshops and discussions to further understanding of social determinants of health and racial disparities.

Eco-Representative, Re-Use Depot, Oakland, CA

September 2024 – December 2024

- Managed the campus Reuse Depot, facilitating the drop-off and redistribution of used clothing, supplies, and household items for free reuse.
- Engaged students in sustainability initiatives through tabling and outreach.
- Promoted the Reuse Pass program, which provided reusable to-go containers as an alternative to disposables.
- Assisted with PODS, campus-wide donation sites for students to drop off unwanted items at semester's end for redistribution and donation.
